

Order of merit.

Introduction

Here is the new revised Order of Merit to base on England Deaf Golf's 3 main events each year, with players performing for two out of 3 best event rankings for the award.

This new Order of Merit now will not be the main subject to process the team selections, but remain as one of cumulative factors toward the selection processes.

New Rules and agenda for Team selection processes for championships can be found elsewhere on England Deaf Golf's website.

The table on the bottom of page will be used which follows the ranking points provided by England Golf to their Mens, Seniors, Ladies and Boys/Girls groups for Internationals.

The Order of Merit has the following attributes:

- 1) Points will be taken from two highest event positions.
- 2) Extending places to 32 positions (33rd place and worse share same points)
- 3) A visual table with positions that shows how many points
- 4) Tied places will be awarded equal points and not split points

Schedule of Events open to points

- 1) England Deaf Golf Spring Event
- 2) England Deaf Golf Open Event
- 3) England Deaf Golf Autumn Event

Points are rewarded to positions finished in the above events.

Positions and its merit points Table.
